# 148 ACCEPTS FINAL ENVIRONMENTAL IMPACT STATEMENT OF EAST END COMMONS

WHEREAS, the Riverhead Town Board is in receipt of a preliminary site plan application for the construction of a retail use on a 29 acre parcel located on the south side of Route 58 between Elton Avenue and Northville Turnpike; such site plan entitled East End Commons (Suffolk County Tax Map Number 0600-109-01-04.1), and

WHEREAS, the Riverhead Town Board declared itself to be the Lead Agency in this matter and required the preparation of an Environmental Impact Statement, and

WHEREAS, the Riverhead Town Board received a Draft Environmental Impact Statement in this regard, and by Resolution #375 (May 16, 1989), accepted the Draft for review and circulation, and

WHEREAS, the subject Draft Environmental Impact Statement prompted extensive commentary both written and oral; such commentary summarized for the applicant in letter form by the Riverhead Planning Department, dated October 2, 1989, and

WHEREAS, the Riverhead Town Board, as Lead Agency, has received a response to commentary from the applicant; such response addressing all of the concerns raised by involved agencies and parties of interest in particular impacts upon public highways, impacts upon flora and fauna, impacts upon surface water and associated wetlands, impacts upon cultural resources, and cumulative impacts, and

WHEREAS, the Riverhead Planning Department has reviewed the response to commentary, considers the document complete, and recommends that the Lead Agency accept it as complete, and

WHEREAS, the Riverhead Town Board has thoroughly reviewed the response to commentary with respect to comments made by parties of interest and involved agencies;

NOW, THEREFORE, BE IT RESOLVED, that the response to commentary in the matter of the East End Commons SEQR record be accepted by the Riverhead Town Board as complete, and

BE IT FURTHER RESOLVED, that the document as accepted be included into the existing SEQR record in order to form a Final Environmental Impact Statement, and

# 149 DENIES CHANGE OF ZONE PETITION OF HERIBERT OBSER

Councilperson Civiletti offered the following resolution, which was seconded by Councilperson Lombardi:

WHEREAS, the Riverhead Town Board is in receipt of a change of zone application from Heribert Obser respecting a parcel located on the north side of Route 58 \_\_\_\_\_ + feet; such amendment to apply the Business B Zoning Use District, and

WHEREAS, the Riverhead Planning Department has reviewed the merits of the proposed amendment and has recommended that the Town Board deny such change of zone, and

WHEREAS, the proposed application was submitted to the Suffolk County Planning Commission as required by charter and was subsequently denied by that commission, and

WHEREAS, the Riverhead Planning Department is currently completing a land use study for East Main Street; the results of such study to have implications upon the appropriateness of the subject petition, and

WHEREAS, the Riverhead Town Board has thoroughly examined the SEQR record respecting the subject amendment as well as relevant environmental and planning data;

NOW, THEREFORE, BE IT

RESOLVED, that the Riverhead Town Board deny the change of zone petition of Heribert Obser on the following grounds:

- First, that the applicant has not successfully argued that it is not practical to develop the property in conformance with the applicable Zoning Use District;
- Second, that recent amendments made to the dimensional requirements of the Office/Service Zoning Use District with respect to preexisting lots would allow for the reasonable development of the subject property in conformance with the applicable Zoning Code;
- Third, that an approval of the proposed amendment would result in a contradiction of the established land use policy of Route 58 as made by the Riverhead Town Board;
- Fourth, that an approval of the proposed amendment would result in vehicular traffic exceeding that which would be expected by development in conformance with the Zoning Use District Map; such additional traffic expected to adversely affect the carrying capacity of Route 58;
- Fifth, there exists ample vacant land zone for retail use within the immediate and surrounding area;

Sixth, the approval of the proposed amendment would constitute a spot zone, and

BE IT FURTHER RESOLVED, that a certified copy of this resolution be forwarded to the Planning Department and the applicant.

The vote, Stark, yes, Prusinowski, yes, Civiletti, yes, Lombardi, yes, Janoski, absent.
